

My Gift Potential for OUMC expansion

I could reasonably give \$ _____ a month from my personal/family budget.

_____ x 12 x 3 = _____ (3-year total gift)

"As you trust God in regard to stewardship, don't do what you think you can do. Ask God to tell you what He wants you to do. Make sure there is a measure of faith in it. Make sure there is sacrifice in it.

Because if there is not, it will leave you with an empty feeling."

- Investing for Eternity, Dr. David Jeremiah

I would like to be able to sacrifice and give \$ _____ a month by faith for God's glory.

_____ x 12 x 3 = _____ (3-year total gift)

What amount, through God's provision, would I dream of being able to give over the 3-year period?
