

OUMC Construction Parking Information and Instructions

OUMC's 2011 Construction is Under Way!

OUMC is beginning to look like a busy construction site as our Gather, Grow and Go building project begins. We're excited by the visible signs of our commitment to Grow! Because of work in progress, parking available at the church will be temporarily reduced. Beginning July 17th, we will lose parking in the ball field and the small parking area next to the Fellowship Hall. We will need to replace approximately 50 on-site parking spaces with off-site parking during construction.

Where do we park? We have off-site parking at the UNC Homestead Operations Center on Homestead Rd., the Station at Homestead Shopping Center at MLK and Homestead, and at Harrington Bank. **Preferred off-site parking is the 'loop' at the UNC Homestead Operations Center** (the old Duke Energy lot). We will be sharing this with the United Church of Chapel Hill. OUMC should use the spaces closest to Homestead Rd. first. Parking is also available behind **The Station at Homestead Shopping Center across the street** from OUMC. **Harrington Bank** on MLK has parking available for us to use if needed. We will have some parking at OUMC. If you are able, please try to reserve OUMC spaces for those for whom walking or riding a shuttle may be a hardship.

Where are off-site lots located? Please see the map on this insert to help you get oriented. Look for the OUMC signs at the entrances, and our lot attendants in yellow safety vests. The UNC Homestead lot is straight up Homestead Rd. from OUMC, the first drive to the right. The Station is directly across MLK from OUMC. Harrington Bank is south of OUMC on MLK at the corner of MLK and Windsor Circle.

How do we get to OUMC from off-site parking? Ride a shuttle. We will have two church vans running to and from OUMC from the UNC Homestead Operations Center for the 9AM and 11AM services.

Walk. The UNC Homestead lot and the Station are an easy walk to OUMC. Be safe! **Everyone MUST use the sidewalks and cross MLK in the crosswalks ONLY!** Walk and get a little exercise, enjoy our lovely fall weather (when it arrives), or stop at the Station for a coffee or a slice at Sal's. **With everyone's cooperation and flexibility, it will be a smooth transition. Thank you!**

MAP of Off-Site Parking

OUMC

Arrows at Entrances to Off-Site Parking

HOC = Homestead Operations Center (old Duke Energy, now UNC)

Station = The Station at Homestead Shopping Center

Volunteers Needed! If you are interested in volunteering for the OUMC "Safety Patrol", please call or email Margaret McClain at (919) 619-1423 or mwmclain@nc.rr.com.
